The Edinburgh Study of Young People

Sweep 6 Questionnaire
2003

INSTRUCTIONS

- ① **Confidentiality** - All of the answers you give to these questions are confidential. Nobody gets to see them, including your parents, your teachers and the police. Some of the questions are personal and all of them are private to you, so make sure nobody else sees your answers either.
- ① **Instructions** - Read each question carefully and follow the instructions about how many boxes to tick, when to write something in and what question to answer next. The shaded boxes also contain important information. Ask for help if you need it.
- ① **During the 'last year'** - Questions that ask about 'the last year' mean from the start of fifth year (or equivalent) up to the end of the last summer holidays. If you find it difficult to think about the school year, the time period we want to know about is from the start of September 2002 to the end of August 2003.
- ① **'Ever' questions** – Some of the new questions we have included this year ask if you have 'ever' done something. Remember that this means 'ever in your entire life' and not just in the last year.
- ① **Don't be alarmed!!** – We know the questionnaire looks quite long, but remember that you won't have to answer all of the questions. Also, we try to space out our questions as much as possible which makes the questionnaire look much longer than it actually is.
- ① **Contact forms** – You do not need to fill out a new contact form – we will give you one with your information printed on it. All you need to do is update it if the information we have is not correct. We guarantee that none of this information will be passed on to any other person or organisation.
- ① **Your name** – As usual we need your name so that we can put your personal ID number on the front cover of the questionnaire. This part of the questionnaire will be torn out and destroyed after we have put the appropriate numbers on the front of the questionnaire.
