- 🕒 **Confidentiality** - All of the answers you give to these questions are confidential. Nobody gets to see them, including your family members and the police. Some of the questions are personal and all of them are private to you, so we try to make sure no-one is present with the interview is conducted. If you are completing this yourself, please do so in private and don't discuss the answers with anyone else.

- 🕒 **Interviewer administered** – Unlike previous years, most of the interviews are now conducted by a trained interviewer who will complete the questionnaire for you. If you are completing this yourself and you need any help, please contact us by telephone on 0131 651 3779 or 07491 180877.

- 🕒 **Since you were 18** – Quite a few of the questions ask about things that might have happened over the years since your 18th birthday. Try your best to remember, and use your birthdays as a reference point.

- 🕒 **Self completion** – There are a few questions that are really quite sensitive, so we have included these in a self-completion questionnaire and we would ask you to do these yourself and seal them in the envelope provided.

- 🕒 **Contact forms** – We need to update your contact details to make sure we are not sending future letters to the wrong address. Please take a few minutes to give us some updated contact information.
